December 2014 Commencement

Student Names and Hometowns

UNO's December 2014 Commencement

On Saturday, Dec. 20, more than 1000 students will be recognized for completing their degree program at UNO. Whether the degree is a certificate, bachelor's degree, master's degree, or doctoral degree, the pride felt by each recipient is one that is shared.

The following list includes those who, as of the December 2014 commencement, are scheduled to graduate. That said, because final grades are not submitted until January 2015, there may be a small number of names included on this list who will not meet the necessary requirements to receive their degree.

The names are organized by last name and include hometown and degree information. Students with honors are identified in the following way:

Cum Laude = cl
Extra Muros = em

Magna Cum Laude = mcl
University Honors Program: uhp

Summa Cum Laude = scl,
